

First Citizen to the Common Man

MGRM has maintained a low key when it comes to visibility. However, many eminent personalities in the country have used MGRM products and our loyal customers. Our clients include the former Hon. President Dr A P J Abdul Kalam, Hon. Prime Minister Dr Manmohan Singh, a few former Chief Ministers, Ministers and eminent Sports and Film personalities.

Services to the Indian Armed Forces

MGRM is recognized as a pioneer and innovator by the armed forces and accordingly we are the only in rehabilitation to receive the Price Vocabulary of the Medical Stores. MGRM regularly supplies to all the 130 defense medical establishments around the country, including the DGAFMSD and R&R Hospital.

The Chief of Air Staff has recognized our emergency products (including our emergency collars) and has recommended the same for all the Air Force bases and aircrafts. The Air Force HQ have procured MGRM Emergency Orthopedic Kits for its various Air Force contingents going as part of UN Missions in Sierra Leone, Lebanon and Congo.

Our products are also available in all Naval hospitals such as the INHS Asvini and INHS Kasturi in their orthopedic, neuro science, rheumatology, burns and reconstructive surgery departments.

MGRM Medicare is the sole supplier of emergency and rehabilitative products to the paramilitary forces like CRPF, BSF, ITBP, CISF, SSB, BTF and SPG. **Services to Major Institutions in India**

MGRM is a regular supplier catering to the medical and preventive medicine requirements of major institutions including the Railways, Indian Airlines, Sports Authority of India, Indian oil, BHEL, NMDC and the St John Ambulance Brigade to name a few. **Price Vocabulary of**

the Medical Stores (PVMS)

Obtaining the PVMS number for our range of products, from the Defense Ministry, represents our apex marketing achievement. MGRM has been selected by the prestigious Indian Armed Forces to make available our products at their apex Research & Referral Hospital, Command Hospitals, Base hospitals, Military Hospitals and various locations including Field Ambulance after having gone through rigorous quality checks and usage at war and peace times. **Disaste**

r Management

The National Disaster Management Authority (NDMA) of India, chaired by the Prime Minister of India invited MGRM to contribute to the national cause by becoming an Expert Committee Member. MGRM contributed to the various preventive and rehabilitative guidelines in the National Disaster Management Guidelines, based on which the State Disaster Management Authorities and their district level counterparts shall formulate policies for their state. Significantly, MGRM has introduced the concept of the **Lif**

e Cycle Approach to Disaster Management

to the NDMA. MGRM has subsequently been recommended to contribute as Steering Committee Member in various committees within the NDMA.
